

CONNECTS: PLUG.IN 00CA

POWER SUPPLY CABLE

- Due to their multifunctional connector, the FLORALUX light lines can not be connected directly to the AC power supply.
- With this PLUG.IN 00CA it is possible to connect the light line to the power supply.
- After installation of this PLUG.IN 00CA, the rest of the light line is completely plug & play.
- With this PLUG.IN 00CA it is possible to connect both AC power supply and Control (0 - 10 V dimming).
