

INSTALL-TOOLS: CLAMP 40mm SL

MOUNTING BRACKET STAINLESS STEEL / EPDM

- This mounting bracket can be used to install the DATALUX light-line system. Furthermore, it ensures that the light line can be suspended by means of a threaded rod or to directly mount it against the ceiling.
- This mounting bracket is ideally suited for refrigerated areas and for food processing industries.
- It is tested for aging as well as for weather resistance in accordance with DIN 53508 and DIN 53509.
- Besides, it is impervious to dissolved acids and bases at room temperature, water and aqueous solutions up to +70 °C, alcohol based solutions, esters and ketones, the weather and seawater.
- It is partially resistant to fats and mineral oils, animal and vegetable oils and fats.
- It is not resistant to hot oils or fats, fuels, aliphatic and aromatic hydrocarbons.
